

Test Verification of Conformity

On the basis of the referenced test report(s), the sample(s) of the below product has been found to comply with the relevant harmonized standard(s) to the directive(s) listed on this verification at the time the tests were carried out.

The manufacturer may indicate compliance to only the said directive(s) by signing a DoC himself and may affix the CE marking to products identical to the tested sample(s) if the product complies with all CE marking directive(s) that has the product in their scope. In addition, the manufacturer shall file and keep the documentation according to the rules of the applicable directive(s) and shall consider changes of the standard(s) as they may occur. Additional requirements, additional directives and local laws may be applicable.
